| TAILWINDCSS | GIT | GITHUB | FIGMA - Helping people create  
professional websites for their businesses.

Empangeni, KwaZulu-Natal, South Africa

## Summary

Aspiring frontend web developer with an entry level proficiency in web development using and . My ambition is to assist businesses to improve their online presence by developing their websites using my skills.

- Eager to learn and open to new challenges.
- Committed to self improvement in the web development field.

Thrilled about challenges and opportunities that allows me to use my skills (e.g , , and ) and turn code into visual websites to assist businesses with a professional online presentation.

- Reading books on personal development, I read a book each week.

I am driven to apply the knowledge i have obtained, on my web development self teaching journey and through ALX. Do you relate to my story? or wants to know more about my background? I would love to connect here on LinkedIn. You can also reach me at [mxolisiprincehlela@outlook.com](mailto:mxolisiprincehlela@outlook.com).
